The boundaries and names shown and the designations used on this map do not imply official endorsement or acceptance by the United Nations.

All numbers for refugees, returnees and displaced persons are estimations compiled from multiple sources and obtained by a number of methods. As such, they do not represent the exact figures.

IDPs Number Source: Monthly Statistics

* According to the Profiling, majority of IDP around Haouich are Returnees, therefore not counted into the IDP's total
