1. Please provide any reference to Li Fengshi and Fushun Labour Camp. Or are the references only to Longshan Labour camp?

No references were found to link Li Fengshi (李凤石) with Fushun Wujiabao Labour Camp in Liaoning. All reports of Li Fengshi are in relation to his alleged torture of Falun Gong practitioners when he was head of Longshan Labour camp between 2000 and 2004. No reports were found of Li Fengshi's actions or position after the closure of the Longshan camp in 2004. Similarly no references were found to link Li Fengshi with Fushun Labour Camp. The Fushun Wujiabao Labour Camp was still in operation in 2008.

Li Fengshi (李凤石)

Li Fengshi is mentioned in many reports on Falun Gong websites for his brutality towards Falun Gong practitioners in Longshan Labor Camp, mainly in 2004 but also in previous years:

- In July 2004, he was reported to be head of the Longshan Labour Camp in Shenyang City. He was said to be personally involved in the torture of Falun Gong inmates: "Head Li Fengshi often personally participated in the persecution of Falun Gong practitioners. He ordered the beating and torture of practitioners who refused to work or refused to have their pictures taken".¹
- A biographic piece on Li Fengshi states "He has committed flagrant crimes. He is the chief plotter in persecuting practitioners at Longshan Labor Camp (later dissolved) in Shenyang City".²
- The same piece notes "After the Longshan Labor Camp was dissolved on October 11, 2004, Li Fengshi "reported" to the Shenyang City Judicial Bureau".³

No other reports of his actions were found. Searches were conducted in both English and Chinese. Similarly no references were found to link Li Fengshi with Fushun Labour Camp.

Longshan Labour camp (龙山劳教)

Longshan Labour Camp/ Reform-Through-Labour (RTL) Camp is also in Liaoning Province and is a part of Shenyang RTL, according to the *Laogai Handbook*.⁴ It is located at Lizigou #97, Zhujia Township, Dongling District, Shenyang City, Liaoning Province.⁵ (辽宁省沈阳市东陵区祝家镇砬子沟村)

Fushun Wujiabao Forced Labour Camp (吴家堡教养院)

There are many references to the Wujiabao Forced Labour Camp/RTL Camp in Fushun on Falun Gong websites. Many of these are from 2002, but Falun Gong organisation reports show that the camp was still operating in 2008. For example, Mr. Sui Liquan was arrested on 28 June 2008 held at the “Wujiabao Forced Labor Camp in Fushun City, Liaoning Province”⁶, and Lu Zhaoxin was held at the camp from September 2007 until spring 2008.⁷

There is a locality called Wujiabao on the Eastern outskirts of Fushun City (in Dongzhou District), which is the likely location of the camp (see map and satellite photo below and attached⁸).
