STATUS OF THE IMPLEMENTATION OF THE COMPREHENSIVE PEACE AGREEMENT (CPA)

1 Power-Sharing Agreement

1.1 THE NATIONAL LEVEL

A) National Constitution

1. President Omar Hassan Ahmed Al-Bashir signed the **Interim National Constitution** (INC) into law on 9 July 2005. ([Annex 1](#)). The INC, which is based on the Comprehensive Peace Agreement (CPA) and the 1998 Sudan Constitution, is the supreme law of the land during the Interim Period. It was prepared by the National Constitutional Review Commission (NCRC), a creation of the CPA, with 31 members from the NCP, 17 from SPLM, 8 from Northern political parties and 4 from Southern political forces. The National Assembly and the SPLM National Liberation Council adopted the INC on 6 July 2005.

B) The National Executive

2. The three-member **Presidency** was inaugurated on 9 July 2005. Omar Hassan Ahmed Al-Bashir was sworn in as President, John Garang de Mabiior as First Vice President and Ali Osman Mohamed Taha as Vice President. Lt. General Salva Kiir Mayardit was sworn in as the First Vice President on 11 August 2005 following the death of John Garang in a helicopter crash on 30 July 2005.
3. President Al-Bashir issued four decrees on 20 September 2005 establishing the **Government of National Unity**, largely in accordance with the CPA power-sharing formula. Members of the GNU were sworn in on 22 September 2005. On 27 November 2005, President Al-Bashir issued two decrees filling the ministerial seats left vacant for the opposition umbrella group, the National Democratic Alliance (NDA).
4. Additional appointments to the GNU were made in October 2006 to reflect commitments made under the **Darfur Peace Agreement (DPA)**. Minni Minnawi of the SLA/MM was appointed Senior Assistant to the President and Mustafa Mohamed Ahmed Tirab as a State Minister without portfolio. (10/06)
5. Further appointments to the GNU were made on 29 May 2007 to reflect commitments made under the **Eastern Sudan Peace Agreement (ESPA)** signed on 14 October 2006. Eastern Front Chairman Musa Mohamed Ahmed was appointed Assistant to the President, Amna Dirar as Presidential Advisor and 'Free Lions' leader Mabrouk Mubarak Salim as State Minister in the Ministry of Transport and Roads (5/07).
6. In March 2007, the **NCP-SPLM Joint Leadership Committee** held its first annual meeting, chaired by President Al-Bashir and FVP Salva Kiir. The meeting established a new high-level sub-committee, the **NCP-SPLM Joint High Political Committee**, to address contentious issues related to CPA implementation.
7. On 11 October 2007, the Sudan People's Liberation Movement (SPLM) announced the suspension of its participation in the GNU, citing the lack of progress on the issues of Abyei, border demarcation, redeployment, transparency of oil revenues and preparations for the census and elections. It recalled its ministers, state ministers and presidential advisers from the GNU, and indicated that they would resume participation in the central government only after these issues had been resolved. On 17 October, President Al-Bashir, agreeing to one of the demands of the SPLM, issued a decree reshuffling the cabinet. The reshuffle concerned two Presidential Advisors, six Cabinet Ministers and six Ministers of State in the GNU. SPLM, however, rejected the decree on the ground that the reshuffling did not reflect the recommendations it had submitted to the Presidency. On 26 December 2007, President Al-Bashir issued a series of decrees appointing new SPLM ministers, state ministers and presidential advisers in the Government of National Unity (GNU). The new SPLM ministers were sworn in on 27 December, thus ending a two-month boycott of the GNU. There was no change in the NCP line-up in the GNU, as the NCP kept to its limited reshuffle in early December, which brought in one presidential advisor and six state ministers. (12/07)

1.1 - The National Level

8. On 14 February 2008, President Al-Bashir carried out a Cabinet reshuffle involving NCP Ministers in the GNU and reallocated portfolios of several Ministers of State. A list of current members of the GNU can be found in [Annex 2](#). (09/08)
9. On 8 June 2008, President Al-Bashir issued Republican Decree 146 adopting a landmark agreement between the NCP and the SPLM entitled 'Roadmap for Return of IDPs and Implementation of Abyei Protocol'. The four main points outlined were: security arrangements, return of IDPs, an interim administration and final arbitration. A follow up to the decree, specifying the modalities for the establishment of the interim administration was issued on 15 June 2008. The Roadmap establishes the geographical boundaries of the interim administration in an agreed map that was attached to the 8 June document. It also gives the Abyei administrative area a special status under the Presidency and establishes the Abyei Executive Council, Abyei Security Committee, and Abyei Area Council, and outlines how they will be financed. This interim agreement will be in effect pending the result of the final arbitration process. The text of the Roadmap can be found in [Annex 23](#). (06/08)
10. On 7 July 2008 Ali Osman Mohamed Taha, Vice-President of the Republic and Riek Machar, Vice President of the Government of Southern Sudan, signed a Convention on the arbitration on the Abyei area. The text is to be deposited with International Court of Arbitration in The Hague. (07/08)
11. On 25 November, the Chairman and members of the Political Parties Council were sworn- in. Earlier on 17 November, the National Assembly approved the nominations. (11/08)

C) The National Legislature

12. The **National Legislature** (the Council of States and the National Assembly) was formed on 31 August 2005. Ahmed Ibrahim El Tahir (NCP) was elected Speaker for the National Assembly and Atim Garang Deng (SPLM) Deputy Speaker. Ali Yahia (NCP) was elected Speaker and Remo Olair (SPLM) Deputy Speaker of the Council of States. The **Council of States** has two members from each of the 25 States, currently appointed by the Presidency after consultation with state institutions. Apart from a handful of national figures, the current members of the Council of States are drawn from either the NCP or the SPLM.
13. The **National Assembly** has 450 members. Membership is allocated according to the CPA's power-sharing formula, with modifications to take account of the Darfur Peace Agreement (DPA) and Eastern Sudan Peace Agreement (ESPA) (see below). The original division was as follows: NCP: 234 seats; SPLM: 126 seats; Northern political forces: 55 seats (20 for the NDA, seven for the Registered Democratic Unionist Party, three for Umma Party Reform and Renewal, three for Federal Umma Party, three for Umma Party Collective Leadership, three for Ansar Al-Suna, three for the Muslim Brotherhood and five for Parties' Forum); Southern political forces: 27 seats (ten for Union of Sudan African Parties, five for United Democratic Salvation Front, three for United Democratic Front, five for Sudanese African National Union and four for the Southern Sudan Democratic Forum); national personalities: eight seats. Of the 55 seats allocated to the Northern political forces, 8 were allocated to the Umma Party (Mainstream) and the Popular National Congress, but both declined to participate. The National Assembly has 20 standing committees. A list of the chairs of standing specialised committees can be found in [Annex 3](#) (10/07)
14. In April 2007, twelve representatives of the **Darfur Peace Agreement signatory parties** were sworn in as members of the National Assembly. Nine of the seats they assumed were already vacant; the remaining three were made available by the NCP from its own allocation. (4/07)
15. On 24 October, eight members from the Eastern Front took the oath of office in the National Assembly, in accordance with the **Eastern Sudan Peace Agreement** (ESPA) which provides for the allocation of eight seats to nominees of the Eastern Front. (11/07)

D) Legislative Agenda

16. The **1st session of the National Assembly** since the signature of the CPA convened on 31 August 2005. It endorsed the **Joint Integrated Units (JIUs) Act** and the **Organization of Voluntary and Humanitarian Work Act (NGO Act)**. The **JIUs Act** (17 January 2006) covers the establishment of the

1 - Power-Sharing Agreement

1.1 - The National Level

JIUs, their mandate, areas of deployment, uniform and common doctrine, and the formation and mandate of the Joint Defence Board (JDB). The **NGO Act** (21 February 2006) has proved controversial because the wide powers it accords to the Registrar and Commissioner of HAC in registering organizations and approving programmes. (11/06)

17. The **2nd session of the National Assembly** met from 3 April – 3 July 2006. It did not pass any significant CPA-implementation related legislation.
18. The **3rd session of the National Assembly** convened on 30 October 2006 and adopted a number of important CPA-implementation related pieces of legislation. These included the **National Civil Service Commission Act** (10 January 2007), text of which can be found in [Annex 5.](#) **Political Parties Act** (22 January 2007) and **National Civil Service Bill** (23 January 2007).
19. The **Political Parties Act** has been controversial. During the three readings of the Bill in the National Assembly, controversy centred on Article 18.b, which allows for the dissolution of political parties by a court decision. In the final version of the Bill, this article (now Article 19-2) was revised to provide that a party may be dissolved upon the decision of *the Constitutional Court* on the basis of a case raised by a two-thirds majority of the Political Parties Council, *if* it is proven before the Court that the party has violated article 40 (3) of the INC. NDA parliamentarians refused to endorse the final draft, and walked out of the Assembly session in protest. NCP parliamentarians then introduced a further amendment to toughen the requirements for party registration (Article 4). This was incorporated into the final Bill, which was adopted by consensus in the absence of the NDA. Opposition parties have expressed concerns about the implications of the final Act, which requires parties to register within 90 days, on preparations for democratic elections. The **Political Parties Act** was signed into law by the President on 6 February 2007 (The text of the Act can be found in [Annex 4](#)).
20. The **4th Session of the National Assembly** was convened from 2 April 2007 to 27 June 2007, during which seven draft bills the **National Audit Chamber Bill**, the **Electronic Deal Bill**, the **Electronic Crimes Bill**, and the **Auditing and Finance Procedures Bill** were passed. The **Armed Forces and Government Purchase Bills** were tabled but were not scheduled to be passed until the next session. (6/07).
21. The **National Police Bill** was approved by the Council of Ministers on 17 June. The Council of Ministers directed the Ministries of the 'sovereignty' sector to add several sections in order to make the police a unified service. Additionally, in the event of a contradiction between the state and national police laws, the national law would prevail. In this form, the Bill would affirm the provisions of the CPA and INC that create three levels of police—national, southern, and state. (6/07)
22. The National Assembly in its sixth session in June 2008 passed the **National Police Bill** in its third reading following a protracted debate. It also passed the **National Council for Developing and Promoting the National Languages Bill** for 2008, as well as, the **National Council of Population Bill** for 2008 after being amended at the third reading stage. It also passed, at second reading stage, the **National Council for Child Welfare** and the **National Tourism Bills** for 2008.(06/08)
23. The **Armed Forces Bill** was approved by the National Assembly on 4 December. The Assembly on 15 December also approved the National Budget along with its accompanying Bills. (12/07)
24. In its extended session, the National Assembly on 7 July passed the 2008 National Elections Act, with a majority of 350 votes (with 14 opposed and two abstentions) after introducing 67 amendments to the bill. An important provision of the new law is that the new parliament will consist of 450 members, with 60% selected by geographical constituencies and 40% by proportional representation party lists, out of which 25% is allocated to a separate women's party list and 15% for political parties' list. The act stipulated that parties must receive a minimum of 4% of the overall votes to secure seats according to the proportional representation. This is the first time that proportional representation system will be used in Sudan. President Al-Bashir signed the bill into law on 14 July 2008. The Speaker of the National Assembly, Ahmed Ibrahim El-Tahir, declared that the parliament will be on call to meet in special session to approve the formation of the National Electoral Commission (NEC), as stipulated by the Act. The law requires that

1.1 - The National Level

the NEC be established within one month of the adoption of the law. He also stated that during the recent session, the assembly adopted 14 laws, inter alia, laws on: Elections, Police, Armed Forces, National Council for Languages, Public Health, and the National Council for Child Welfare. It also finalised seven international agreements. He said that National Assembly convened 30 sittings, as well as five additional sessions. He indicated further that the assembly heard five statements from various ministers: the Ministers of Defence, Interior, Finance, the Commissioner of the Bank of Sudan, and the Vice-President of the Republic. Lawmakers also held an urgent query regarding the explosion of a Sudan Airways plane in Khartoum. He added that the assembly's specialised committees held a total of 205 meetings in its last session. (07/08)

25. On 20 November 2008, the Council of Ministers endorsed the Human Rights Act, the Lands Commission Act, and amendments to the Criminal Law Act. It also approved the organization of Foreign Trade and the Anti-Dumping Acts. All approved Acts would be passed to the National Assembly for adoption into law. (11/08)
26. On 17 November 2008, the National Assembly endorsed the members of the National Elections Commission (NEC). The composition of the Commission are as follows: Abel Alier, Chairman; Abdallah Ahmed Abdallah, Deputy Chairman; and Fillister Baya, Mahassin Haj Al-Saffi, James Bol Kajmal, Abdallah Ballah Al-Hardalou, Mohamed Taha Abu Samrah, Mukhtar Al-Asam and Al-Hadi Mohamed Ahmed Hassabou as Members. On 25 November, a presidential decree was issued in this regard, and the Chairman and members of the NEC were sworn-in in the presence of President Al-Bashir and FVP Salva Kiir. (11/08)

27. On 26 January 2009, the Political Parties Council met with 32 political parties registered under previous regulations. The Chairman of the Council urged traditional parties (National Umma Party, NDA, Communist Party, SPLM) to make the necessary changes in the mandate and structure of their respective party ('reconcile') in accordance with the provisions of the Political Parties Act of 200, and prepare the documents needed for the registration of the party. On 28 January, the Council met with 86 notified (unregistered) parties, during which its Chairman declared that all unregistered parties will be given a period of 90 days, starting 5th February, to reconcile their situations. He also stated that an advisory body from the political parties will be established to support the Council in achieving its objectives. (01/09)

28. On 1 December 2008, the National Assembly passed the national budget for 2009 and its accompanied laws. On 28 December 2008, it passed the second reading stage of the National Land Commission Act 2008. It also passed the second reading stage of the Human Rights Commission Act 2008.
29. On 30 December 2008, the National Assembly adjourned its current session and decided to reconvene in February 2009 in order to pass a number of outstanding legislation. (12/08)

E) The National Judiciary

30. On 28 November 2005, President Al-Bashir issued a decree appointing Jalal-Eddin Mohamed Osman (NCP) as Chief Justice and John Aungi Kasiba (SPLM) and Dr. Wahabi Mohamed Mukhtar (NCP) as Deputy Chief Justices. A list of current members of the Constitutional Court can be found in Annex 6. (07/08).
31. The National Assembly approved the **Constitutional Court Act** on 1 October 2005. President Al-Bashir signed the Act in November 2005 and on 24 December 2005 issued a decree appointing the **President and members of the Constitutional Court**. They were sworn in on 31 December 2005. (1/06)
32. The National Assembly adopted the National Judicial Service Commission Act (NJSC) in October 2005 and the President endorsed it in November 2005. On 7 December 2005, President Al-Bashir formally established the National Judicial Service Commission. The National Judicial Service Commission Act passed through the National Assembly with the required three readings, but it bypassed the NCRC in contravention of the INC. The SPLM criticized the Act, contending that this procedural error and key aspects of legislation itself contravened the INC or the Interim Constitution of Southern Sudan. The NJSC

1.1 - The National Level

held a meeting on 31 March chaired by Chief Justice Jalal Al Din Mohammed Osman and discussed the issue of coordination between Southern Sudan Judiciary and National Judiciary Commission. (03/08)

33. On 17 December 2008, the Minister of Justice issued a decree establishing specialized child attorney offices in a number of States (South Darfur, Al-Geddarif, South Kordofan, Sennar, Blue Nile, West Darfur, and Kassala). According to the decree, the attorney offices would have the jurisdiction to supervise investigations and exercise powers provided for in the Criminal Procedures Act 1991, the Child Act of 2004, and any other Acts. (12/08)
34. In December 2008, the National Judicial Service Commission appointed a number of Magistrates as follows: First Grade Courts Magistrates: 11, including 5 women; Second Grade Courts Magistrates: 23, including 2 women; Third Grade Courts Magistrates: 19, including 4 women. It also appointed 80 Judicial Assistants, including 5 women. (12/08)

35. On 12 January 2009, the Chief Justice issued a directive to transfer all the newly-appointed judges to Darfur and Kordofan states (total of 69 including 11 women) (01/09)

F) Commissions

36. The CPA provides for the establishment of a large number of Commissions to oversee implementation of the agreement. There was initially considerable delay in establishing many of these Commissions; however, the process got back underway in late 2005, with the formation and staffing of the **National Petroleum Commission** (NPC), the **Ceasefire Political Commission** (CPC), the **Fiscal and Financial Allocation and Monitoring Commission** (FFAMC), and the **National Judicial Service Commission** (NJSC). The progress of these Commissions is dealt with under the relevant sections of the Monitor. The **Assessment and Evaluation Commission** (AEC), the **Technical ad hoc Border Committee** and the **National Civil Service Commission** (NCSC) are dealt with below. With the exception of the NCSC, all the Commissions have been formed by presidential decree rather than legislation. Some National Assembly members have argued that FFAMC and the NPC in particular require a legislative basis.

- *Assessment and Evaluation Commission*

37. The **Assessment and Evaluation Commission (AEC)** was established in October 2005 to assess and evaluate the implementation of the CPA with the Parties (establishing decree can be found in [Annex 7](#)). It has 13 members and four observers and meets in plenary session once a month. The AEC has four Working Groups chaired by international members: Power-Sharing (Italy); Wealth-Sharing (USA); Security Arrangements (UK); Three Areas (Netherlands). The AEC reports to the Presidency. On 12 February 2008, the President of the Republic issued a decree appointing Sir Derek Plumbly as new Chairman of the Commission. On 3 July, the AEC held its 33rd plenary session in Juba during which it endorsed the Commission's Mid-term Review Report.

38. On 6 January 2009, the AEC held a plenary meeting commemorating the fourth anniversary of the CPA. The meeting commended the CPA parties on their achievements in 2008, and highlighted the challenges ahead for the implementation of the remaining CPA provisions. (01/09)

39. The **Assessment and Evaluation Commission for Blue Nile and Southern Kordofan States** were established by presidential decree on 26 July 2007, is dealt with under sections 3.2 and 3.3 of the Monitor.

- *Technical ad hoc Border Committee*

40. The **Technical ad hoc Border Committee** started work in January 2007 on mapping the 1 January 1956 border between North and South Sudan. It has made a number of field trips to discuss its work with local officials and communities and to collect data. In July 2007, the **Technical ad hoc Border Committee** made fact-finding visits to Cairo and London to study documents relating to the 1-1-1956 border in Egyptian and British archives. On 4 August, Professor Abdalla AISadig Ali was appointed Chairperson of the Committee through a presidential decree. It is expected to submit its final report in

1 - Power-Sharing Agreement

1.1 - The National Level

the first quarter of 2008. (9/07)

- *National Civil Service Commission*

41. On 26 July 2007, the Presidency issued a decree establishing the **National Civil Service Commission** and appointing Professor Moses Machar as its chairman. The creation of the Commission followed the passage of the National Civil Service Commission Act in January 2007. On 4 August, ten members were appointed to the Commission by a presidential decree. A list of the appointed members can be found in [\(Annex 8\)](#). The NCSC met for the first time on 22 August. (8/07)
42. On 3 September, the National Civil Service Commission held a meeting with the Minister of Labor, where it was agreed to establish a joint committee to follow up on the implementation of the allocation of 20%-30% of the civil service posts to the Southerners as per the provisions of the CPA, INC and the 2007 Civil Service Commission Act. (9/07)

G) Population Census

43. The **National Population Census Council** (NPCC) was established by presidential decree on 7 January 2006 ([Annex 9](#)). It is mandated to plan for the census; set standards and criteria for the Central Bureau for Statistics; follow-up on the preparations leading up to the population census operation; and report to the Presidency. In September 2006, FVP Kiir issued a decree establishing the **Higher Council for Population Census in Southern Sudan**. ([Annex 10](#)).
44. Following repeated changes of schedule, a presidential decree was issued on 11 February 2008 setting 15-30 April 2008 as date for the 5th national population census. However, on 12 April, the GoSS announced the postponement of census in the south. In support of its decision, it cited failure to resolve the Darfur crisis; non-completion of return movements of IDPs from the north to the south; non-inclusion of questions on ethnicity and religion in the questionnaire; and delays in the demarcation of the north-south border. The GoSS eventually reversed its decision, but reserved the right to have an opinion on the census general outcome and the application of the results. The Presidency, meanwhile, changed the census dates from 15-30 April to 22 April-6 May.
45. The census enumeration commenced at 00:00 hrs on 22 April which was the census reference hour and ended on 6th May 2008. A number of national and international monitors selected by the Monitoring and Observer Committee (MOC) and appointed by UNFPA using EU funds monitored the process in the 25 states of Sudan (15 northern states and 10 southern states). The process has largely been peaceful in spite of security, material and human resource challenges which emerged in the first week of enumeration.

46. The merging process for the census data sets from North and South Sudan started on 20 January 2009 and was completed on 29 January. The combined data is now being used to provide the "priority results" which will be discussed at the Technical Working Group meeting scheduled for 16th February in Khartoum. The results will thereafter be submitted to the Population Census Council and the Southern Sudan Population Census Council for approval. The PCC will then submit the approved results to the Presidency for official release. (01/09)

H) Returns, Repatriation and Reintegration

47. With the close of the second year of organized returns under the Joint Plan that the United Nations undertook in collaboration with the GNU and the GoSS, declining demand for such movements encouraged the partners to explore new modalities for future collaborative efforts. In response, a joint task force emerged in January to develop an accelerated approach to return and reintegration in the new year that would respond to the needs of spontaneous and other forms of organized return that have attracted greater numbers of IDPs. Details of this new assisted return mechanism, as well as a programme to improve conditions in areas of high return, were being crafted by UNMIS/RRR in collaboration with its government and agency partners for high-level endorsement.

1 - Power-Sharing Agreement

1.1 - The National Level

48. Except for minor technical corrections during the continuous verification process, figures for organized IDP returns remained unchanged at 28,645 persons in 2008 and 81,432 cumulatively. UNHCR meanwhile reported the full resumption of repatriation activity after the holiday period, with 817 individuals returning by the end of third week in January, bringing the cumulative total for organized and assisted refugee repatriation to 141,887. Since the signing of the CPA in 2005, the grand total for refugee return including spontaneous repatriation has reached 298,717. In combination with spontaneous IDP returns, it is estimated that well over 2.2-million Sudanese have reached home by the end of January 2009. (01/09)

1) National Capital

49. A **joint ad hoc committee** composed of ten members representing the NCP and the SPLM was formed on 18 October 2005 to discuss issues regarding the **administration of the national capital** during the Interim Period. The committee was unable to agree on the implementation of CPA provisions on national representation in the institutions of the national capital and the establishment of mechanisms to guarantee the rights of non-Muslims.
50. The Presidency decided on 3 January 2006 that the Cabinet for the administration of the National Capital would include eight ministers: four from the NCP, two from the SPLM (one of them Deputy Governor) and two from Northern political forces (one of them Deputy Governor).
51. The **State Legislative Assembly of Khartoum** adopted its **State Constitution** on 30 May 2006. It was signed into law on 5 June 2006. On 17 June 2006, the Governor of Khartoum State issued a decree appointing the Ministers of the State Government. Five ministerial posts were allocated to the NCP, two to the SPLM and two to other northern political groups. One post was reserved for a Darfurian representative (6/06). On 4 September, the Local Governance Bill was signed into law by the Governor of Khartoum State. The Bill was adopted by the Khartoum Legislative Council on 25 August. (9/07)
52. On 11 August 2008, the State Legislative Assembly of Khartoum passed the Disabled Welfare Act 2008. The Act provided for establishment of a welfare fund to help the disabled and their families in education, transportation, work, social welfare, residence and treatment in and out of Sudan. (08/08)

i) Representation of Sudanese People in Khartoum Law Enforcement

53. On 6 November 2006, the Khartoum State cabinet approved the **Khartoum Police Forces Bill** in the first reading stage. Discussion in the Khartoum Legislative Council was delayed by a dispute between Khartoum state authorities and the General Director of the National Police, who argued that Khartoum police should be supervised by the National Police Directorate. The **Khartoum Police Forces Bill** was tabled in the Khartoum Legislative Council in February 2007, but not adopted. High-ranking police officers from the Ministry of Interior argued that the State Law on Police should be adopted only after the National Act in order to avoid any conflict of provisions between the texts. (2/07). The Khartoum Legislative Council has confirmed that the bill will not be discussed until the National Police Bill has been approved. (7/07)

ii) The Commission for the Protection of the Rights of Non-Muslims in the National Capital

54. The Presidency issued a decree in August 2006 providing for establishment of the **Commission on the Protection of the Rights of Non-Muslims in the National Capital** ([Annex 11](#)). It sets out the Commission's mandate and functions, including to ensure that the rights of non-Muslims are protected in accordance with the human rights and fundamental freedoms enshrined in the Interim National Constitution as well as the principles stated in the CPA guiding judges and law enforcement agencies 'in dispensing justice and enforcing law' in Khartoum. The Commission should also ensure that 'non-Muslims are not adversely affected by the application of the Sharia law in the National Capital.
55. The members of the Commission (the Chairperson plus ten religious scholars (five Christians and five Muslims), ten community leaders, two traditions and customs experts, and one representative each from Khartoum State, the Judiciary, the Ministry of Justice, the Police, and National Security) were appointed

1 - Power-Sharing Agreement

1.2 - The GOVERNMENT OF Southern Sudan

by presidential decree on 15 February 2007. The Commission met for the first time on 12 April 2007. The Chief Justice, on his part, has agreed to establish special courts for trying non-Muslims in the capital Khartoum. (8/07)

1.2 THE GOVERNMENT OF SOUTHERN SUDAN

A) Legislation and Constitutions

56. GoSS President Salva Kiir Mayardit signed the **Interim Constitution of Southern Sudan** into law on 5 December 2005 ([Annex 12](#)), following its approval by the Transitional Southern Sudan Legislative Assembly and the GNU Ministry of Justice. On 5 August 2006, the GoSS Council of Ministers formally decided that Juba would remain the capital of Southern Sudan and seat of the GoSS.

B) The Southern Sudan Executive

57. Salva Kiir Mayardit became **the President of GoSS** on 11 August 2005, following the death of John Garang. As stipulated in the CPA, the SPLM Chairman shall be the First Vice President and shall at the same time hold the posts of the President of the GoSS and Commander-in-Chief of the SPLA.
58. Riek Machar was appointed **Vice President of GoSS** on 19 August 2005. Abdout Agua Jok was appointed **Secretary-General of the GoSS Council of Ministers** on 18 October 2005.
59. Pending the adoption of the Interim Constitution of Southern Sudan, **the care-taker Government of Southern Sudan** (GoSS) was established on 22 October 2005 and sworn-in on 24 October. Each of the ten states was represented at the ministerial level. Nevertheless, the composition of the GoSS was criticized as lacking in inclusiveness, as some of the smaller tribes were not represented. Southern Muslims were also excluded, while women held only two of the 22 ministerial portfolios.
60. On 7 March 2008, the President of GoSS appointed Ms. Jemma Kumbo as the Governor of Western Equatoria State. She replaced Samuel Abujohn who had died earlier. Also on 27 March two Governors in the Greater Bahr el Ghazal- Governor of Northern Bahar el Ghazal and the Governor of Warrap- were replaced. Major General Paul Malong Awan replaced Col. Madut Biar Yel as Governor of Northern Bahr el Ghazal State, while Mr. Tor Deng Mawien replaced Lt. Gen. Anthony Bol Madut as Governor of Warrap State. (10/07)
61. On 24 October 2008, the Southern Sudan Legislative Assembly approved a supplementary budget to the amount of 3.08 billion Sudanese pounds to cover military spending for the calendar year. 62. Earlier on 17 October 2008, the GoSS Council of Ministers passed a 3.96 billion Sudanese pound budget for 2009 for Southern Sudan and is awaiting final approval from SSLA. According to GoSS Minister for Information and Broadcasting, the budget was developed after considering the development needs of the region. (10/08)
63. On 21 December 2008, the President of the Government of Southern Sudan issued a Decree appointing Nhial Deng Nhial as Minister for SPLA Affairs. He succeeds Dominic Dim Deng who died in a plane crash in May, 2008. A list of the current members of GoSS can be found in Annex 13. (12/08)

C) Legislature of Southern Sudan

64. On 20 September 2005, GoSS President Salva Kiir issued a decree appointing the **Transitional Southern Sudan Legislative Assembly (SSLA)**. The Circular directs the judiciary to apply the current laws of the New Sudan in all suits within the territory of Southern Sudan arising on or after 10 July 2005. For suits that arose before that date, the judiciary is to apply the laws of the New Sudan if the suit arose in SPLM-controlled territory and the relevant national laws if in territory controlled by the Government of Sudan. (7/07)

E) Commissions

80. On 27 June 2006, GoSS President Salva Kiir signed 14 presidential decrees making appointments to a number of Commissions and bodies: the Southern Sudan (SS) **Relief and Rehabilitation Commission**, **SS De-Mining Authority**, **SS Peace Commission**, **SS Anti-Corruption Commission**, **SS Human Rights Commission**, **SS Public Grievances Chamber**, **SS Reconstruction and Development Fund**, **SS Civil Service Commission**, **SS Land Commission**, **SS Fiscal and Financial Allocation and Monitoring Commission**, **SS Center for Census, Statistics and Evaluation**, **SS HIV/AIDS Commission**, **SS Audit Chamber** and the **SS Employees Justice Chamber**. (7/07)

1.3 THE STATE LEVEL

A) States' Constitutions

83. On 19 October 2005, Vice-President Taha received a copy of the **model constitution for the Northern states**. Most of the states in the North had to revise their drafts in order to comply with the model constitution. The National Constitutional Review Commission (NCRC) did not draft the model Northern State Constitution. By 19 December 2006, all fifteen Northern states had adopted a Constitution. (12/06)
84. In December 2005, the SSCDC drafted the **model Constitution for Southern States**. After much wrangling between the Southern States and the GNU Ministry of Justice over the compatibility of the southern states' constitutions with the Interim National Constitution, all ten southern states adopted constitutions and received certificates of compatibility from the Ministry of Legal Affairs of GoSS by June 2007. In July 2007, the GNU Minister of Justice declared that he would issue a certificate to confirm the compatibility of Southern Sudan State constitutions and the INC. (7/07)

B) States' Executives

85. On 27 August 2005, the President appointed **Governors for 14 Northern States**: Khartoum, Sinar, Red Sea, North Darfur, North Kordofan, Jezira, Kassala, Gadarif, Gezira, River Nile, Northern Blue Nile, White Nile, West Darfur and South Darfur. The Governor of Southern Kordofan was appointed at a later date and took up his post on 20 October 2005. An up-to-date list of the Governors of the Northern States can be found in [Annex 15](#). (07/08).
86. On 22 October 2005, the President of GoSS appointed **Governors for the ten Southern States**. An

up-to-date list of the Governors of the Southern States can be found in [Annex 16](#). (07/08)

87. The President of GoSS removed the Governor of Upper Nile State, Dak Duop Bichiok, from his post effective 18 February 2008 and appointed Gatluak Deng Garang (NCP) as his replacement.

1.4 HUMAN RIGHTS

88. The signing of the CPA and the political and legal reforms that followed represent a key opportunity for the Sudanese Government to improve Sudan's human rights environment. The CPA cites Sudan's obligations to comply with international human rights treaties to which it is a party. These include the International Covenant on Civil and Political Rights (ICCPR); the International Covenant on Economic, Social and Cultural Rights (ICESCR); the Convention on the Elimination of Racial Discrimination (CERD); the Convention on the Rights of the Child (CRC); and the regional human rights instruments for Africa, the African Charter on peoples' and human rights. The CPA also calls on Sudan to endeavour to ratify other human rights treaties it has signed. These include the Convention against Torture and the Statute of the International Criminal Court.
89. The Interim National Constitution (INC) makes international human rights treaties an integral part of its Bill of Rights and provides for an independent Human Rights Commission with advisory powers.
90. On 29 December 2008, the Human Rights Committee of the National Assembly met to finalize the draft law of the National Human Right Commission. The draft law is in line with the rights mentioned in the National Interim Constitution. In the meantime, UNMIS Human Rights conducted workshops with the National Parliamentary Committees on the establishment process, mandate and functioning of the Human Rights Commission, and Southern Sudan Human Rights Commission (SSHRC).
91. Southern Sudan Human Rights Commission 2008 Bill is currently with the Southern Sudan Legislative Assembly. UNMIS Human Rights facilitated human rights workshops for members of the SSHRC on human rights promotion and protection as enshrined in the Interim Constitution of South Sudan. (12/08)

A) National Human Rights Commission

92. In October 2006, the NCRC established a sub-committee to finalize the **National Human Rights Commission (NHRC) Bill**. Following consultations and workshops supported by the international community and internal discussion in the Council of Ministers (1/07), the GNU in July 2007 submitted the **NHRC Bill** to the National Assembly, to be discussed at the Assembly's Human Rights Committee in October. (7/07)
93. On 31 January 2008, the Chairman of the SPLM Caucus at the National Assembly informed UNMIS Human Rights that two committees established by NCP and SPLM reviewed the Bill on National Human Rights Commission. The Bill was referred back to the Council of Ministers with comments on some contentious issues, particularly on the power of investigation. (01/08)

B) Southern Sudan Human Rights Commission (SSHRC)

94. In October 2006, GoSS President Salva Kiir issued a decree appointing the five members of the **Southern Sudan Human Rights Commission (SSHRC)**. On 16 November 2006, SSHRC submitted draft enabling legislation to the GoSS Ministry of Legal Affairs and Constitutional Development. UNMIS provided technical assistance with the drafting. Although the Bill has not yet been tabled in the Southern Sudan Legislative Assembly, its third version is now largely in line with the Paris Principles. (10/07)

2. Wealth-Sharing Agreement

2.1 LAND OWNERSHIP AND NATURAL RESOURCES

95. The CPA does not address issues regarding the ownership of land and natural resources. The Parties agree to establish a process to resolve this issue. However the CPA also provides for the establishment of

2 - Wealth-Sharing Agreement

0 - 2.2 Oil revenues (including the National Petroleum Commission (NPC))

a **National Land Commission** and a **Southern Sudan Land Commission** which, without prejudice to the jurisdiction of courts, may arbitrate between willing contending parties over land issues and make recommendations to government, for example regarding land reform and recognition of customary rights. The FAO is the lead UN agency for support to the Land Commissions.

A. National Land Commission (NLC)

96. There have been a number of efforts to draft enabling legislation for the **National Land Commission** (NLC). A draft **National Land Commission Bill** was finally produced in February 2007. The NCRC appointed a 20-person subcommittee to consider the draft (3/07).

B. Southern Sudan Land Commission (SSLC)

97. The Interim Constitution of Southern Sudan sets out the requirement for a Southern Sudan Land Commission and lays out its basic mandate and functions. In 2006, the **Southern Sudan Land Commission (SSLC)** was established with five members through a Presidential decree. (11/06)

2.2 OIL REVENUES (INCLUDING THE NATIONAL PETROLEUM COMMISSION (NPC))

98. The CPA establishes guiding principles for the management and development of the petroleum sector and sharing of revenues from the oil sector. It provides for the establishment of a National Petroleum Commission to formulate policies and guidelines on development of the oil sector, and monitor their implementation to ensure policies work in the best interests of the people of Sudan.

A) National Petroleum Commission (NPC)

99. The **National Petroleum Commission** was established on 30 October 2005 by presidential decree, and its membership announced in another decree on 1 November 2005.
100. The NPC did not meet in 2006, owing to protracted wrangling over its internal regulations, including the rules of procedure and the mandate and composition of the Secretariat. On 14 November 2006, FVP Salva Kiir announced that final agreement had been reached on outstanding issues relating to the National Petroleum Commission. Among other issues, the parties agreed to establish an independent technical secretariat, staffed jointly by the two parties (50% NCP, 50% SPLM). (11/06)
101. The NPC held its first full meeting on 5 April 2007, chaired by President Al-Bashir and FVP Salva Kiir. The two parties agreed on the mechanism of negotiating new oil contracts and the formation and duties of the secretariat. The Rules of Procedures of the Commission have been signed by the co-chairs. (8/07)
102. Following delays in the formulation of a national oil policy, other levels of government moved ahead with their own policies for developing petroleum resources. Jonglei State formulated its own oil policy, while GoSS set terms for new companies planning to invest in the new oil fields in Southern Sudan. (4/07)

B) Sharing of Oil Revenues

103. The CPA and the INC provide for equitable sharing of oil revenue among oil producing states. Under the terms of the agreement, at least 2% of net oil revenue is allocated to the state or region in which oil is produced. Remaining revenues from oil produced in the South are divided equally between GNU and GOSS, while those from oil produced in the North accrue exclusively to the GNU.
104. Transfers of oil revenue to the Southern Sudan and States level have taken place since 2005, although GNU and GoSS disagree over boundaries in the oil producing areas, as well as over the figures of oil production.
105. On 6 August 2008, in a meeting with the Assessment and Evaluation Commission (AEC) Wealth-Sharing Group, members of the Joint (GNU/GoSS) Committee for Monitoring, Calculating and Sharing of Oil Revenue provided an update on the current state of transfers to GoSS and oil producing states. The Committee informed that the cumulative total arrears due to GoSS from 2005, 2006 and 2007 now stands at US\$55.86 million. However, there are no arrears due to GoSS for the first half of 2008, and the total

2 - Wealth-Sharing Agreement

0 - 2.3 Non-OIL Revenue

amount received by GoSS so far exceeded US\$1 billion. GoSS representative raised the issue of the Oil Revenue Stabilization Account (ORSA), where the differences (surplus) between the budgeted and actual oil revenues are kept and which is currently held in the Central Bank of Sudan. Since the banking system in the North is governed by Sharia law which forbids interest payments, GoSS would like the ORSA funds to be split between the GNU and GoSS so that it may collect interests (08/08)

106. According to the Ministry of Finance and National Economy, Sudan's total oil revenue for the month of November 2008 amounted to \$347.79 million, of which the GNU received \$171.05 million and the GoSS \$150.74 million. The Ministry also reported that the Government transferred a total of \$2,503.27 million to GoSS between January-November 2008. (01/09)

C) Existing Oil Contracts and Compensation

107. The SPLM (and the GoSS) and the National Congress Party have been in dispute over the rights to sign oil contracts as well as the status of existing oil contracts. The SPLM claims that prior to the formation of the GNU, the Minister of Energy refused it access to existing oil contracts.
108. No action has been taken on compensation of victims of oil contracts provided for in the wealth-sharing agreement. However, the issue has been raised in the context of the South-South Dialogue and is included in the Dialogue's action points.

2.3 NON-OIL REVENUE

109. The CPA provides for the sharing of non-oil revenue from federal sources in the South, including customs and immigration, airport taxes, etc.

110. The collection of non-oil revenue remains weak in Southern Sudan. However, during the period January-September 2008, an amount of 26.8 million Sudanese pounds was reportedly collected in the South, of which 13.4 million was remitted to GNU as its 50% share. (01/09)

2.4 BUDGET AND FISCAL DECENTRALIZATION

111. In the CPA, the Parties agreed on general principles related to the fiscal process including transparency, decentralization and a commitment to reduce regional inequities. The CPA also sets out which taxes may be collected by different levels of government, and further specifies that all nationally collected revenues are to go into a National Revenue Fund to be transparently allocated, while states and the Government of Southern Sudan shall retain and dispose of income collected under their own taxing powers. The CPA also provides that each level of government shall be liable for its own borrowing.

2.5 FISCAL AND FINANCIAL ALLOCATION AND MONITORING COMMISSION (FFAMC)

112. The **Fiscal and Financial Allocation and Monitoring Commission (FFAMC)** was established by presidential decree on 15 November 2005. A task force led by the Joint National Transition Team worked on developing legislation and the FFAMC's terms of reference. The FFAMC initially got off to a slow start, raising concerns over delays in transfers of national revenues to states, in particular to the Three Areas.
113. The **FFAMC Chairman**, Ibrahim Monim Mansour, submitted his resignation on 26 February 2006 citing lack of guidance, infrastructural and secretarial support and the difficulty of convening meetings. The Presidency did not accept the resignation and the Ministry of Finance announced on 5 March 2006 that the World Bank had made a \$300k grant to support FFAMC. The FFAMC held its inaugural meeting on 27-29 May 2006 and established a Technical Secretariat and a Panel of Experts. However, Chairman Ibrahim Monim Mansour continued to complain of inadequate financing and GNU attempts to circumvent the FFAMC, including through parallel organisations such as the National States' Support Fund - a federal-level body scheduled to be abolished after the CPA. On 26 July 2007, the Presidency issued a decree replacing FFAMC Chair Ibrahim Monim Mansour with Mohamed Osman Ibrahim. (7/07)

2 - Wealth-Sharing Agreement

0 - 2.6 National and Southern Sudan Audit Chambers

2.6 NATIONAL AND SOUTHERN SUDAN AUDIT CHAMBERS

114. The **Joint National Transition Team** (JNTT) announced in June 2005 that a new national accounting system had been developed, and that the auditors' chambers were being set up.
115. On 27 June 2006 GoSS President Kiir nominated four appointees to the **Southern Sudan Audit Chamber**, though it remained without legislative basis. Enabling legislation for the **Southern Sudan Audit Chamber** was submitted to the GoSS Ministry of Legal Affairs and Constitutional Development in March 2007. (3/07)
116. The National Assembly passed the **National Audit Chamber Act** and related audit legislation in June. (6/07)
117. The President of GoSS in February 2008 removed Barnabas Majok from the position of the Southern Sudan Auditor General and appointed the Secretary General of GoSS as a caretaker of the Audit Chamber until the appointment of a new Auditor General. The decision follows a vote of no confidence in the Southern Sudan Legislative Assembly against Majok last December, accusing him of financial impropriety and failure to deliver services in auditing government accounts. (02/08)

2.7 JOINT NATIONAL TRANSITION TEAM (JNTT)

118. The **Joint National Transition Team** (JNTT) was established in Nairobi on 9 March 2005. Originally foreseen as having an important role in resource mobilization and implementation of the findings of the Joint Assessment Mission (JAM), the NCP and SPLM agreed in June 2005 that the JNTT should cover the CPA's power-sharing as well as wealth-sharing provisions. Following the formation of the GNU and GoSS, and the appointment of several **JNTT** members to new positions, there was some doubt as to the composition and role of the body. Though the JNTT chaired initial meetings of the MDTF Interim Oversight Committees, further to the formation of the GNU and GoSS, the role was later taken over by the respective Ministries of Finance. The JNTT played an important role in preparations for and during the Sudan Consortium meeting on 9 and 10 March 2006 in Paris. (9/06)

2.8 BANKING AND CURRENCY

A) Banking

119. In June 2005, the JNTT reported that the **Bank of Sudan** had been restructured to accommodate a **dual (Islamic and conventional) banking system**, as per the provisions of the wealth-sharing agreement. On 18 July 2005, the GoSS and the Central Bank of Sudan signed a Memorandum of Understanding, and the Bank of Sudan opened its Juba branch on 19 July 2005. (7/06)
120. The **Central Bank of Sudan Act** was adopted by the National Assembly in October 2005 and signed into law in November 2005.

B) Currency

121. Sudan's new national currency, **the Sudanese Pound**, was launched in Juba on 9 January 2007, as part of the ceremonies marking Peace Day and in fulfilment of the CPA requirement. The Bank of Southern Sudan started in April 2007 to collect foreign currency belonging to Uganda, Ethiopia and Kenya to be returned to those countries. On 1 July 2007, the Sudanese Pound officially replaced the Dinar as legal tender. The transition went smoothly. (7/07)

2.9 RECONSTRUCTION AND DEVELOPMENT FUNDS (INCLUDING MDTFS)

A) Multi-Donor Trust Funds (MDTFs)

122. The **MDTFs** (National and South) became operational in June 2005. The National and Southern Sudan MDTFs held their first Joint Oversight Committee in Khartoum on 22 July. Overall disbursement from the MDTFs has been slower than expected. These are attributed partly to the complexity of the MDTF

mechanism and World Bank procedures.

123. The second meeting of the **Sudan Consortium** was held on 19-21 March 2007 in Khartoum and Juba. Donors made it clear that they would not be able to continue to finance recovery and development efforts in the North unless there was progress in Darfur. They recognized that GoSS had made significant progress in 2006, but urged GoSS to focus on building of public institutions for good governance, establishing basic infrastructure links, enabling productive activities and delivering basic services. Donors also called for a review of aid mechanisms, including the establishment of new priorities and costing for the second phase of the original Joint Assessment Mission. (3/07)
124. By the end of August 2007, the MDTFs had received \$384.8m (\$132.5m for the National MDTF and \$252.4m for the Southern Sudan MDTF), of the \$561.3m pledged at and since Oslo. (8/07)
125. The third meeting of the Sudan Consortium was held in Oslo from 5 to 7 May 2008. Jointly chaired by the GNU and GoSS, and organized by the UN and the World Bank, the Consortium reviewed the progress in the implementation of the social and economic aspects of the CPA and Joint Assessment Mission commitments for the period 2005-2007, and agreed on the recovery and development priorities for the second half of the CPA period (2008-2011). At the meeting, donors pledged about US\$4.8 billion in total support to humanitarian, recovery and development efforts in Sudan for the period 2008-2011. Part of the funds for development efforts will be channelled through two complimentary mechanisms-the Multi Donor Trust Funds and the newly created Sudan Recovery Fund. (05/08)

3. The Three Areas: Abyei, Southern Kordofan and Blue Nile States

3.1 ABYEI

A. Determination of Geographic Boundaries

126. The **Abyei Boundaries Commission** (ABC) was mandated to define and demarcate the area of the nine Ngok Dinka Chiefdoms transferred to Kordofan in 1905, referred to as 'the Abyei area'. The ABC submitted its final report to the Presidency on 14 July 2005. However the Presidency failed to agree on adoption of the report.
127. In May 2006, the NCP/SPLM Joint Leadership meeting referred the deadlock over the Abyei Boundaries Commission (ABC) report to its political sub-committee for consideration. Four options were to be considered: a) reach a political agreement; b) call on the ABC experts to defend their recommendations; c) refer the matter to the Constitutional Court or d) seek arbitration by a third party. The parties did not specify a timeframe. On 2 September 2006, the political sub-committee reported deadlock to the NCP-SPLM Joint High Political Committee, but was tasked to continue its discussions. (10/06)
128. At the invitation of GoSS and following strong criticism by the NCP, the experts of the Abyei Borders Commission made a one-day visit to the South on 15 September and met at the South Sudan Legislative Assembly's headquarters in Juba with MPs, GoSS officials and civil society representatives to defend their findings. They stressed that they based their decision on scientific facts and that they had not overstepped their mandate. (9/07)

B) Administrative Structures

129. On 31 December 2007, GoSS President Salva Kiir issued a decree appointing a key SPLM Abyei leader, Edward Lino, as Chairman of SPLM in Abyei Area. According to the decree, Lino will be answerable to the SPLM Chairman and a member of the Interim Political Bureau. Presidential Advisor Mustafa Osman Ismail said in a press statement on 4 January that the appointment of Lino does not violate the Abyei Protocol and that NCP will wait and judge Lino by his actions. (12/07)
130. At the end of March, Edward Lino arrived into town with a group of five assistants. The NCP, however, issued a statement on 30 March, rejecting the appointment of Lino 'in the strongest possible terms,' and describing it as an act that 'transgresses the authority of the Presidency which owns alone the decision to

3 - The Three Areas: Abyei, Southern Kordofan and Blue Nile States

appoint the administration of Abyei' under the CPA. It also called for removal of the administration. (03/08)

131. On 8 June 2008, President Al-Bashir issued Republican Decree 146 adopting a landmark agreement between the NCP and the SPLM entitled 'Roadmap for Return of IDPs and Implementation of Abyei Protocol'. The four main points outlined were: security arrangements, return of IDPs, an interim administration and final arbitration. (06/08)
132. *Terms of the Abyei Roadmap:* The parties agreed that a newly-formed Joint Integrated Unit (JIU— comprised of elements other than those involved in the Abyei clashes) would deploy within 10 days of the signing of the accord (i.e. 18 June), and that a police force would be deployed within two weeks of the signing. Following the deployment of JIUs and police, SAF and SPLA forces would redeploy out of the administrative area (delineated in a map attached to the Roadmap agreement). Both parties committed to an investigation into the violence to be conducted by the CJMC. The road map stipulates that the Presidency within two weeks would also set up an interim administration led by SPLM, with an NCP deputy; that IDPs could return to Abyei after the security arrangements were complete; and that GoNU would work with international organizations and the area administration to provide for their needs. The parties furthermore agreed that oil revenues from the area under arbitration shall be shared according to the Abyei Protocol and that both parties shall contribute an agreed percentage of those shares to a fund for development of the areas along the North-South Border. Finally, both parties agreed to resort to arbitration to resolve the dispute over the findings of the Abyei Boundaries Commission and to abide by and implement the decision of the arbitration tribunal. (06/08)
133. *Implementation of the Abyei Roadmap:* On 8 August 2008, the Presidency appointed Arop Mayak Mony Tock (SPLM) and Rahama Abdelrahman al-Nour (NCP) as Chief Administrator and Deputy Administrator, respectively, of the interim Abyei Area Administration. They were sworn in on 31 August. (08/08)
134. On 6 October 2008, two Presidential decrees were issued appointing remaining members of the Abyei Executive and Area Councils according to the Abyei Roadmap Agreement. Five heads of administration have been named; however, assignments as heads of specific departments are yet to be confirmed. (10/08)
135. On 28 October 2008, the Permanent Court of Arbitration in The Hague announced the appointment of Professor Pierre-Marie Dupuis as the Presiding Arbitrator of the Abyei Arbitration Panel, as per Abyei Roadmap Agreement. The appointment marks the beginning of the six-week period in which the parties are to present oral arguments before the court and submit documentation. The written materials are expected to be submitted 8-12 December. The court is expected to issue its final decision by June 2009. (10/08)
136. While the post-conflict situation in the Abyei area has seen provision of basic humanitarian requirements, more support will be required as return increases. Additionally, in a few return areas equitable access to services, notably water, still needs to be carefully assured during this delicate period of annual migration by pastoralists. Up to 10,000 persons have already returned, with approximately half destined for the town and the other half for rural-villages. UNMIS estimates that as many as 5,000 more IDPs may return before the end of the year, with up to 20,000 more following during the first half of 2009, if Roadmap implementation proceeds well. (10/08)
137. In accordance to the provisions of the Abyei Roadmap, the redeployment of SAF and SPLA from the Abyei Roadmap area has been completed with the exception of small SAF and SPLA elements in Diffra and Agok respectively. Despite a resolution reached at the Area Joint Military Committee Meeting (AJMC) of September 16th, that military and police elements are to withdraw from Agok and Diffra by September 23rd, forces remain in both locations to the north and south of Abyei still. Monitoring and verification in Diffra and Agok took place on 24-25 October confirming force strength of 13 officers, 213 men and women with 225 AK47 rifles under the command of Brig. General Samuel Deng in Agok. Strength of SAF forces in Diffra could not be confirmed accurately, as Commander of the Oil Police Headquarters would not allow verification to take place. The Committee relied on information from the Commander that a police force of 60 personnel with an unspecified number of 12.7mm guns were currently safeguarding oil

company assets in Diffra. (10/08)

138. JIU have deployed to Balom and Bajadiid in order to provide security along the Misseriya migration route. The Joint Integrated Police Unit (JIPU) comprising 257 (153 from the South and 104 from the North) has been deployed and is policing Abyei town. The second batch composed of 87 has since arrived in Abyei and presently undergoing Basic Training and Conflict Management Workshops. On 20 October, a 30-day Formed Police Unit training for 60 JIPUs commenced at JIPU Camp training venue. JIPU-Police Station is under renovation by UNMIS, with support from UNDP. JIU and JIPU operational functions continue to be impeded due to lack of promised logistical support. JIPU out of Abyei is restricted to foot patrolling and law enforcement in Abyei Town, as they have only one vehicle. (10/08)
139. Further to the Abyei Protocol and Abyei Roadmap Agreement, implementation of the Abyei Area Administration took effect on 11 November 2008 with the swearing in of five Executive Council Members. The Secretaries are to head five departments which are Administration, Governance and Human Resources; Finance and Economic Planning; Agriculture, Animal and Natural Resources; Social Services and Cultural Affairs; and Public Utilities and Infrastructure. They would report directly to the Chief Administrator. Policing will be managed separately by Office of the Chief Administrator under a 'Security Commission.'(11/08)

C) Security Arrangements

140. **Movement restrictions:** In March 2006, SAF notified UNMIS that a number of towns in the north of UNMIS Sector VI - including Al Fula, Muglad and Meiram – were to be excluded from monitoring and verification, restricting the area of operation of UNMOs to about 30% of the Sector. In September 2006, SPLA representatives informed the CJMC and the CPC that it would also be imposing restrictions on the movement of UNMIS monitors south of Abyei. In February 2007, further restrictions were imposed on UNMIS reducing the movement of UNMOs to the Abyei area - no more than 15km².
141. Since the implementation of the Abyei Roadmap, UNMOs and TCCs have enjoyed freedom of movement within the Abyei Administrative Area.(08/08)
142. In December 2008, a high-ranking Joint Monitoring Team and the Chief Administrator for Abyei, the Sector Commander, the UNMO Coordinator, AJMC members and UNMOs monitored the withdrawal of SPLA and SSPS from Agok. The MP Platoon from 13 (SPLA) Brigade consisted of 2 officers and 37 soldiers with 37 x AK-47 rifles. The Police Service detachment included 12 police officers and 29 men; the Prison Service detachment consisted of 4 officers and 58 men; the Fire Service detachment included 5 officers and 27 men; while the Wildlife Services detachment consisted of 7 officers and 37 men. The JMT, including representatives from the SAF, SPLA and UNMIS verified the above troop numbers and weapons. Ten SSPS policemen will remain in Agok until the JIPU arrive to take over policing of the town. The withdrawal of forces from Diffra is expected to be announced soon. (12/08)

143. On 18 January 2009, a special patrol consisting of the Sector Commander, JIU Commander, UNMO Coordinator, JIU cell and the AJMC National Monitors from SAF / SPLA monitored the withdrawal of SAF soldiers from the Diffra oil field area. It has reported that 21 soldiers redeployed to HQ 31 BDE and ten soldiers remained behind to guard storage containers that could not be lifted on that day. Heavy lifting equipment will be required to move the large SAF accommodation container. It is anticipated this will occur in near future. (01/09)

D) Reconciliation Process

144. Several confidence-building initiatives have been organized by UNMIS between the Dinka Ngok and the Misseriya around the issue of migration, including workshops and a peace conference. For example, in July 2007, the UN sponsored an agreement between the Misseriya and Dinka Ngok to coordinate the annual migration movement of Misseriya nomads in Abyei through a joint Leaders' Committee. (7/07)
145. In follow up to the Comprehensive Peace Agreement (CPA) a series of Dissemination and Awareness workshops organized by UNMIS and conducted in Sector VI Abyei. Representatives from Civil Society

3 - The Three Areas: Abyei, Southern Kordofan and Blue Nile States

3.2 - Southern Kordofan

Organizations (CSOs) participated in the workshops which looked at implementing their plan of action for immediate dissemination of the CPA in a number of selected communities. (8/07)

146. In November, with the being the onset of the migration season, Sector VI facilitated an initial meeting between Dinka Ngok and Misseriya leaders on this year's migration. Reconciliation on nomad migration routes were agreed upon by both sides and have been adopted into resolutions to be implemented. For instance, the committees to handle tribal disputes between the nomadic and farming community have been put in place to prevent escalation of potential tensions/conflict. A follow-up meeting will bring in representatives from communities south of the River Kiir/Bahr el Arab through whose territories the nomads migrate. GoSS President Kiir also instructed Southern officials to allow Arab tribes to move freely with their cattle during the migration season in the south. (11/07)
147. On 12 December 2008, a personal dispute between two individuals in the market in Abyei led to an exchange of fire between JIU and JIPU. One JIU soldier died, while 3 civilians, 2 JIPU and 5 JIU soldiers sustained injuries. Due to timely response by UNMIS, Commanders of the JIU and JIPU and the local Administrator, the situation was soon brought under control. Subsequently, the JIU unit was relocated 3 km north of Abyei. (12/08)

148. There have been almost no spontaneous returns since the December 2008 shooting incident. People still express a lack of confidence in the security situation, exacerbated by the fact that the Abyei Administration still has no budget and that the Chief Administrator and his Deputy have largely been away from Abyei for an extended period of time.
149. JIPU deployment into flashpoint villages along the migration route/s have been hampered by a lack of resources. As such, much of JIPU activities have been restricted to patrolling within Abyei town. (01/09)

3.2 SOUTHERN KORDOFAN

A) Geographic Boundaries

150. On 16 August 2005, President Al-Bashir issued a decree declaring the **Boundaries of Southern Kordofan State** to be the previous boundaries of Southern Kordofan Province as defined in the 1974 Act of the division of provinces. Some parts of Western Kordofan were thus merged into Southern Kordofan. Some parts of the boundaries of Southern Kordofan remain unclear pending the resolution of the boundaries of Abyei and the final demarcation of the 1956 North-South Border.
151. Redeployment of SAF and SPLA neared completion at the end of July 2008. A formal handover in the area of security from SPLA to the new JIU took place in Manyang on 28 July. By the end of the month, the JIU had deployed to Abyei town and started its patrols. JIU stations are to be established in Manyang, Balom/Diffra, Todach and Agok. UXOs left behind by SAF and SPLA are currently being disposed of.
152. Pending definite confirmation of completion of redeployment of SAF and SPLA from the Abyei Administrative Area, little return to Abyei town has taken place, although plans are being put in place to assist those who decide to return.
153. Officers to serve in the Joint Integrated Police Units have been identified by the GoS police service and the Southern Sudan Police Service. They will soon deploy to Abyei town where they are to participate in a common training provided by UNMIS with support from UNDP. (07/08)

B) Administrative Structures

154. The **Legislative Council of Southern Kordofan** was formed on 12 December 2005 and convened on 22 December 2005 with 54 members (30 NCP and 24 SPLM), seven of whom were women. Ibrahim Balandia (NCP) was appointed Chairman.
155. The formation of the Southern Kordofan government was plagued by delays in 2006, mainly due to failure to adopt the state constitution. The resulting partial paralysis of the executive prevented the appointment of ministers and the proper functioning of the legislature. A caretaker government was

3 - The Three Areas: Abyei, Southern Kordofan and Blue Nile States

3.2 - Southern Kordofan

eventually set up on 7 March 2006.

156. The work of the legislature remained blocked over a disagreement on whether its chairmanship should be rotated between the parties on a regular basis. On 11 November, the Presidency took the decision to leave the chairmanship of the Legislative Council with the NCP, the deputy position with the SPLM, and create a new position of 'Leader' of the Council, to be filled by the SPLM. On 21 November 2006, the Legislative Council accepted the final draft of the **state constitution**. On 19 December 2006, the constitution was formally adopted in Kadugli in the presence of Vice President Taha. The Council met in full session for the first time on 13 March 2007 and is now a functioning body.
157. The second session of the Southern Kordofan Legislative Council since the ratification of the state constitution took place in Al Fula, the state's second town, in April 2007. This fulfilled the CPA requirement of alternating legislative sessions between Kadugli and Al Fula. The Legislative Council created ten permanent committees, the members of which were announced at the session. (4/07)
158. On 1 July 2007, the President Al-Bashir swore in Omer Suleiman Adam (NCP) as the new **Governor of Southern Kordofan State**, replacing Ismail Khamis Jallab (SPLM). The new Deputy Governor, Daniel Kodi (SPLM) was appointed on 17 July 2007, replacing Eissa Bashari (NCP). The rotation of Governors should have taken place in April 2007: Suleiman's predecessor Jallab had been appointed in November 2005 and the CPA stipulates that control of the governorships of Southern Kordofan should have switched between the SPLM and the NCP after the initial appointee had served 18 months. (7/07)
159. On 31 December, the Governor of the Southern Kordofan State, Omar Suleiman has announced the appointment of the new ministers for the state government. The list comprised of five ministers from SPLM including the Deputy Governor and five ministers from NCP. It is expected that the Governor will also appoint government advisors and commissioners of the nine existing localities in the coming few days. A list of the current members of the Southern Kordofan State executive can be found in ([Annex 17](#)). (12/07)
160. On 26 July 2007, an Assessment and Evaluation Commission for Southern Kordofan State was created by a presidential decree, just after the end of the second year of the Interim period deadline stipulated by the CPA (07/07). On 12 February 2008, President Al Bashir appointed El Dirdeiri Mohamed Ahmed and Neron Philips as co-chairs of the Commission.(02/08)
161. On 25 October 2008, the Legislative Council of Southern Kordofan held hearings on Southern Kordofan Child Act and the Female Circumcision Prevention Bill. The Child Act is based on the new national laws enhancing children's rights in many arenas. The FCP Bill, if approved, will be the first in Sudan. Also during the month, the SPLM legislators presented two bills to the State Legislature on State Judiciary and State Police. On 31 October, UNMIS Human Rights, as invited, attended a workshop at the Legislative Council where the draft Bill on State Police was debated. (10/08)

C) Security Arrangements

162. The security situation is relatively calm. Disputes over land and water resources throughout the state continue to be the main source of conflict between nomads and farmers, sometimes resulting in death and injury, destruction of property, and displacement of people. The delay in the formation of the JIUs is partly responsible for the security threats in the state.
163. Pre-registration of PDF and SAF personnel earmarked for Disarmament and Demobilization was successfully completed in April 2007. (4/07)
164. During July 2007, SPLA units in Southern Kordofan (Sector IV) began to withdraw to assembly areas to await redeployment south of the 1-1-56 line. Some SPLA units had already moved south of the line. The process was slow, in part due to logistical problems associated with heavy rain. (7/07)
165. On 22 December, armed clashes were reported between the SPLA and the Misseriya (Awlad Kamil) at Al Girinti (Um Sha'ara), near Al Meiram in the western part of the Southern Kordofan State. The fighting renewed on 23 December in the area of Al Jurf, 90 kilometres south of Al Meiram. Misseriya armed

elements attacked an SPLA camp in Al Jurf (river bank), in retaliation for the killing of their kin a day earlier. The Misseriya alleged that the attack occurred when the Misseriya refused to pay heavy levies on cattle imposed by the SPLA as crossing fees to the South. Some SPLA sources informed that the fighting broke out when armed Misseriya nomads attempted to force their way behind River Kiir/Bahr Al Arab, which the SPLA considers the 1.1.1956 borderline between the North and the South. An UNMIS facilitated visit of the Governors of SKS and NBeG on 30th December resulted in a truce to be kept until 9th January 2008. (12/07)

166. The traditional Misseriya migration has commenced in small groups with the main migration expected over the period December 2008 – January 2009. To date, there have been no major incidents. In an effort to reduce the risk of violent confrontations, dialogue at several levels between UNMIS, representatives of NCP and SPLM/GoSS, NGOs and tribal leaders from the Dinka and Misseriya tribes has commenced and further talks are ongoing. The principal issue is whether the migrating Misseriya should be allowed to carry arms, which could contribute to violence. The tribal elders agree to continue dialogue to find a resolution. (12/08)

167. [The Misseriya \(South Kordofan\) and Nuer \(Unity State\) tribal leaders have been continuing their discussions on modalities with regards to migration of Misseriya nomads \(01/09\)](#)

D) Returns

168. Estimates of **number of returnees** to the state since the beginning of 2006 vary greatly and range from 50,000 to 130,000, mainly due to differences in the way the data is collected.
169. From the start of organized returns in February 2007 to June 2007, around 4,700 people were returned to Southern Kordofan. The process was due to restart after the rainy season. (6/07)
170. The large return planned (not UN) from Dongolla has been postponed until January 2008. Spontaneous returns are still quite low, partly due to the festive season but also because of concerns about the security situation. Some of the earlier returnees have started to move out from Abyei Town to the surrounding villages. (12/07)

3.1 BLUE NILE STATE

A. State Executive, Legislature and Administration

171. The Blue Nile State Government was formed on 5 December 2005, comprising eight ministers including five locality commissioners. The state legislative body was also instituted. Seats were allocated according to the formula stipulated in the CPA (NCP 55%/ SPLM 45%). The state cabinet was sworn in on 7 December 2005. Certain groups, mainly from the Ingesna and Arab tribes in the western part of Blue Nile State, protested the Government's lack of inclusiveness.
172. On 1 July 2007, President Al-Bashir issued a decree appointing Malik Aggar (SPLM) as **Governor of Blue Nile State**, replacing Abdulrahman Mohamed Abumedian (NCP). The rotation should have taken place in February 2007: Aggar's predecessor had been appointed in August 2005 and the CPA stipulates that control of the governorships of Blue Nile State should have switched between the NCP and the SPLM after the initial appointee had served 18 months. Ahmed Kremano (NCP) was appointed Deputy Governor in place of Zayed Issa Zayed (SPLM). Both Aggar and Kremano were sworn in at a ceremony on 3 July. (7/07)
173. On 13 November, the Governor of Blue Nile State, Malik Aggar, issued a decree appointing the new Government of the State. A list of the current members of the Blue Nile State Executive can be found in [Annex 18](#). (11/07)
174. On 26 July, an **Assessment and Evaluation Commission for Blue Nile States** was created by presidential decree (7/07). On 12 February 2008, President Al Bashir appointed Abdel Rahim Mohamed Ali and Eisa Zayed as co-chairs of the Commission (02/08).

4 - Security Arrangements

4.1 - Security Update

175. On 21 April 2008, the head of the Blue Nile Assessment and Evaluation Commission, Abdel Rahim Osman, informed local media that the Commission has completed a tour round the State to assess NCP-SPLM efforts to implement the CPA in Blue Nile State. He confirmed consensus among the two parties on the importance to implement the agreement and said that emerging political or executive differences did not impact the implementation process. (04/08)

B. Security Arrangements

4. Security Arrangements

4.1 SECURITY UPDATE

176. The situation in Southern Sudan remained largely calm following the 9 July deadline for SAF redeployment north of the 1-1-1956 Line. (7/07)

4.2 CEASEFIRE POLITICAL COMMISSION

177. The **Ceasefire Political Commission (CPC)** is mandated to supervise, monitor and oversee the implementation of the permanent ceasefire and security arrangements implementation modalities. It reports directly to the Presidency. The CPC is expected to settle deadlocks referred to it by the Ceasefire Joint Military Commission (CJMC) and provide disciplinary measures for violations. It can propose amendments to the ceasefire arrangements and refer any deadlocks over implementation to the Presidency. The chairmanship of the CPC is to be rotated between the parties. In addition to the Parties themselves, membership of the CPC includes the UN SRSG or his deputy, IGAD and the IGAD Partner's Forum.
178. The CPC was established on 27 August 2005 by presidential decree and its membership announced on 1 November 2005. It convened its first meeting on 23 February 2006. The CPC meets routinely on the last Thursday of the month, but the rules of procedure allow both the Parties and the UN to call an ad hoc meeting of the CPC. The CPC continues to meet regularly. However, its performance as a body for resolution of disputes over ceasefire issues has been uneven. Issues referred up from the CJMC have frequently become deadlocked at the CPC level.

A. Recent CPC Meetings

179. The regular meeting of the CPA scheduled for 28 January 2009 was postponed upon SPLM request. (01/09)

4.3 CEASEFIRE JOINT MILITARY COMMITTEE (CJMC)

180. The CPA instructed SAF and SPLA to establish a **Ceasefire Joint Military Committee (CJMC)** covering the territorial jurisdiction of the Ceasefire Agreement and answerable to the Ceasefire Political Commission (CPC). The CJMC is composed of senior military representatives of SAF and SPLA and is chaired by the UNMIS Force Commander.
181. The first CJMC meeting was held in Juba on 8 May 2005. The Commission agreed to convene fortnightly meetings and also agreed the Terms of Reference of both the CJMC and the Area Joint Military Committees (AJMCs). The CJMC has continued to convene regularly and has supported open and frank discussion between the parties and the resolution of concerns around military violations of the CPA.

A. Recent CJMC Meetings

182. The 87th CJMC meeting was held in Juba on 12 and 13 January 2009. The meeting discussed the handling of voluntarily demobilized soldiers; verification of redeployment of SPLA forces from Samri/Quffa, White Lake/Jaw and Kharasana; the verification of transfer of 1500 SPLA Police officers into National Police; the redeployment of Debab and Abu Matarik forces; the situation at Abyei Road Map Area; denials of Monitoring & Verification and Freedom of Movement for Joint Monitoring Teams.

4 - Security Arrangements

4.4 - Area Joint Military Committee

183. The 88th CJMC was held on 26 and 27 January in Khartoum. The meeting discussed the verification of SPLA units in Samri/Quffra and White Lake/Jaw and also of former Kharasana and former Debab forces. SAF and SPLA agreed to simultaneously withdraw their last remaining small number of soldiers from Agok and Diffra (Abyei Road Map Area). About the status of the Petroleum Police in the oil field area of Sector III, SAF and SPLA had different opinions. While SAF declared that these units are specialized police, according to the National Interim Constitution allowed in the area, SPLA refused to recognize them as police. As there are, under different names, more police units in the oil field areas of other sectors, CJMC decided to raise this issue for a decision at political level at the CPC. (01/09)

B. Freedom of Movement of UNMOs

184. According to the Status of Forces Agreement (SOFA), UNMIS Joint Monitoring Teams enjoy guaranteed freedom of movement throughout the Ceasefire Zone. However both Parties have imposed restrictions on UNMO movement in Abyei (Sector VI). In October and December 2006, movement restrictions in Abyei were lifted temporarily but were re-imposed on 28 February 2007.
185. Since the implementation of the Abyei Roadmap, the UN enjoys freedom of movement within the Abyei Administrative Area. Sector 6 has established two temporary bases in Agok and Diffra. (08/08)

4.4 AREA JOINT MILITARY COMMITTEE

186. The **Area Joint Military Committees** (AJMC), which coordinate all the ceasefire related monitoring and verification activities in the Sectors, were to be formed by 24 June 2005. However, due to the non-availability of the members nominated by the parties and the Sector HQs (in some cases), their formation was delayed. The first AJMC was held in the Nuba Mountains Area on 20 September 2005.

4.5 JOINT MILITARY TEAMS (JMTS)

187. **Joint Military Teams** (JMTs) are the lowest operating units of the Ceasefire Military Mechanism, comprising UNMOs (international monitors) and an equal number of officers (**National Monitors**) from SAF and the SPLA. The formation of the JMTs has been delayed due to lack of clarity on the logistical support for the National Monitors.
188. According to the Status of Forces Agreement (SOFA), UNMIS Joint Monitoring Teams (JMT) enjoy guaranteed freedom of movement throughout the Ceasefire Zone. However both Parties have imposed restrictions on UNMO movement in Sector VI (Abyei). In October and December 2006, movement restrictions in Abyei were lifted temporarily but were re-imposed on 28 February 2007. The restrictions were again temporarily lifted in December 2007 to allow for monitoring and verification of the southern deployment of SPLA-aligned Debab and Abu Matariq forces. This temporary window closed again on 9 January 2008 and has imposed significant restriction on the JMT patrols of Sector VI. This issue has been raised at various CJMC and has been regularly referred to CPC however without resolution. (04/08)

4.6 REDEPLOYMENT OF FORCES

189. The line of **redeployment** of SAF and SPLA is the North/South border as at 1 January 1956 (the 1.1.1956 Line). The CPA requires SAF to redeploy out of Southern Sudan in accordance with an agreed schedule, completing 72% redeployment by January 2007 and 100% by 9 July 2007. It requires the SPLA to complete its redeployment from Eastern Sudan by 9 January 2006 and from Southern Kordofan and Blue Nile six months after full formation of Joint Integrated Units. Both parties have frequently reiterated their commitment to respecting these timelines.
190. As of 22 July, there was no change to SPLA redeployment figures. In Sector 4, SPLA troops redeployed to the South numbered 2,256—of which 1,284 were verified with their weapons. In Sector 5, the number remains at 949—of which 617 were verified with their weapons. The 79th CJMC agreed that there was no change to the SAF redeployment figures. (07/08)

4 - Security Arrangements

4.7 - The Joint Defence Board (JDB)

191. As at 31 January 2009, there was no change in the SPLA redeployment percentage, which has been verified at 10.6%. (01/09)

192. The **SPLA redeployment from Eastern Sudan** proceeded relatively smoothly in 2006 with logistic support from SAF. UNMIS observers verified the redeployment of 5,672 SPLA troops from a total start date strength of 8,736. At the 30th CJMC meeting on 4 July 2006, both Parties agreed that the SPLA redeployment from the East was complete. (6/06)

193. **SPLA redeployment from Abyei, Southern Kordofan, and Blue Nile** has been delayed because of delay in the formation of JIUs.

194. As at 31 January 2009, there was no change in the SAF redeployment percentage, which has been verified at 95.3%. (01/09)

4.7 THE JOINT DEFENCE BOARD (JDB)

195. According to the CPA, the **Joint Defence Board** is responsible for co-ordination between the SAF and SPLA and for the command of the JIUs. The JDB is tasked with agreeing how to address any external and internal threats, and for organizing confidence-building measures between the Parties' armed forces. The Board is to be composed of the Chiefs of Staff of the two Armed Forces, their deputies and four senior officers, and is to operate by consensus. The Commanders of the JIUs are *ex officio* members of the JDB. The JDB is to be supported by a Technical Secretariat of eight senior officers.

196. The JDB was formed by presidential decree on 30 December 2005 and held its first meeting on 2-3 January 2006. It is jointly chaired by First Lieutenant-General Abbas Arabi Abdallah (SAF) and First Lieutenant General Oyai Deng Ajak (SPLA). The JDB has continued to meet regularly, approximately every other month.

197. The Parties agreed in July to task the Joint Defence Board with finding a solution to the dispute between SAF and the SPLA over the continued presence of approximately 3600 SAF troops in oil producing areas south of the 1-1-1956 Line after the 9 July redeployment deadline. SAF had argued that it needed to keep troops in these key areas to maintain security in the absence of fully formed JIUs. (7/07)

4.8 JOINT INTEGRATED UNITS (JIUS)

198. The **Joint Integrated Units** (JIUs) are to be formed during the Pre-interim and the Interim Period from SAF and SPLA troops. The role of the JIUs is to act as a symbol of national unity and, in the event of unity after the 2011 referendum, to form the core of a new National Army. There were initially inordinate delays in formation of JIUs, linked to the delay in forming the Joint Defence Board (JDB). The National Assembly endorsed the **Joint Integrated Units (JIUs) Act** on 17 January 2006 ([Annex 19](#)).

199. The GNU has approved a budget of approximately US\$55m for the Joint Integrated Force in 2007. JIU soldiers' salaries are set at a rate 65% above that of regular SAF, representing the special nature of the units. (3/07)

A) Assembly of JIUs

200. In 2006, the Parties made considerable progress in the nomination of forces to serve in the JIUs. However overall the deployment of JIUs, which was to have been completed by 9 October 2006, is significantly behind schedule. The Parties, especially the SPLA, have blamed logistical challenges. While some JIUs are co-located, in other areas nominated personnel are gathered at assembly areas some way from the final deployment location.

201. Details of the JIU figures as stated by the parties, verified by JMT and accepted by CJMC are as follows: 33583 JIU troops verified against a stated strength of 36827 (91.2%) and the authorised strength of 39639 (84.7%). The 85th CJMC decided to freeze the JIU figures until 20 January 2009 and to task

4 - Security Arrangements

4.9 - Other Armed Groups (OAGs)

Sector AJMCs to continue with the JIU re-verification process in order to provide consolidated JIU figures no later than 20 January 2009. (12/08)

202. Re-verification of JIUs was considered as progress by 88th CJMC on 26/27 January 2009, as it was based on new JIU Standard Operational Procedure. Most of the work is done; some last figures of Sectors I and III are missing yet, but the parties are expected to provide consolidated figures before the 89th CJMC. (01/09)
