

Syrian Arab Republic: Whole of Syria CCCM Sector response snapshot for 2016 (as of December)

This map reflects the number of people reached against the 2016 HRP Indicator 2.1.1 'Number of displaced persons identified through the CCCM cluster'.

*As identified IDPs are not registered, secondary displacement is not captured accurately and can cause double counting.
 †IDPs identified at sub-district level does not necessarily imply full geographical coverage of the sub-district. There may be IDPs in the sub-district who are not identified by the humanitarian actors.

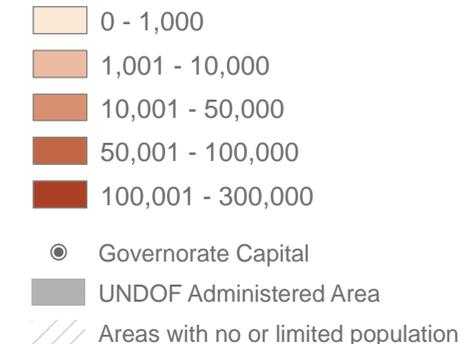

1,332,110* IDPs identified in 2016 through the CCCM cluster

388,300 IDPs in sites provided with life-saving assistance in 2016

IDPs identified in 2016 by sub-district¹

*Figures indicate IDPs who may have been identified in previous months and are assumed to remain displaced in the following months unless otherwise reported, as well as new IDPs.

Displaced people identified per month
