2021 Submission and Departure

Submissions

Departures

Resettlement is an important gesture of responsibility sharing and solidarity with the government of Jordan

Resettlement is also a durable solution and a protection tool

UNHCR follows a one refugee approach and prioritizes refugees of all nationalities for resettlement according to protection needs.

Through remote resettlement procedures, UNHCR was able to utilize all available quotas in 2020.

Remote Resettlement Processing

Remote interview and Review
Phone & Video Interviews

Support and logistic
