The information presented in this table summarizes the totality of authorization requirements by all actors for districts within each governorate. However, specific authorization requirements vary between districts for each authorizing actor and each humanitarian organization type, which is not represented within the summary of this table. This document is strictly intended to inform humanitarian strategic and operational planning and humanitarian response. The boundaries and names shown and the designations used on this map do not imply official endorsement or acceptance by the United Nations.

Creation date: 15 November 2021
