

In Rakhine State, 65,741 persons remain displaced as of the 5th of July 2022 in ten townships as a result of clashes between the Arakan Army and the Myanmar Armed Forces. UNHCR, in collaboration with partners and other UN agencies, has responded to the humanitarian needs and extended its assistance to affected communities. Thus far in January to June 2022, UNHCR non-food items, emergency shelter support, dignity kits and cloth masks have been provided to some 24,069 affected persons from 5,753 households in Mrauk-U, Myebon, Kyauktaw, Minbya, Ponggyun, Sittwe, Buthidaung and Rathedaung Townships and 28 remote and in-person follow-ups and 106 missions were conducted as appropriate.

Access to some sites remains limited for UNHCR and partners, particularly in more rural areas, a situation which has been further exacerbated by COVID-19.
