A safe home to finally shape dreams into reality

Baran is an unaccompanied refugee child who found a haven through the National Emergency Response Mechanism. His journey from Iraq brought him to Thessaloniki, where he found himself sleeping rough in a park on a makeshift cardboard bed. Baran now lives in a long-term shelter and the word "safety" stands out when describing his current life. You may read Baran's story [here](#).

Key Priorities

- **Institutional strengthening:** UNHCR pilots good practices, deploys staff and provides training and advice to help the State strengthen systems and expertise on asylum, reception and durable solutions.
- **Advocacy:** UNHCR raises with the authorities and key actors critical matters that affect the rights of refugees and asylum-seekers, including on access to territory and fair procedures, so as to trigger legal and policy change.
- **Protection:** With staff at six field locations and through a dedicated helpline, UNHCR monitors the situation of asylum-seekers and refugees, provides support to asylum-seekers with information sessions and makes interventions and referrals to services where they can get expert help.
- **Legal aid:** UNHCR offers personalized legal aid via specialised partners to help asylum-seekers and refugees obtain equal access to their rights.
- **Integration:** Engaging with refugee communities, UNHCR identifies skills and experience, maps intentions and needs and works with the public and private sector to create livelihood opportunities.
- **Persons with specific needs:** To those most at risk, such as unaccompanied children or survivors of sexual violence, UNHCR provides psychosocial support, emergency shelter and/or foster care. UNHCR also links refugees with disabilities to the national social protection system and job offers.
- **Community empowerment and self-reliance:** UNHCR mobilizes refugees to create support networks, from addressing mental health issues to training youth to help their peers.
- **Relocation:** UNHCR supports the relocation of unaccompanied children and other vulnerable groups from Greece to other European States.
