

Response to displacement linked to AA-Tatmadaw conflict (Jan - Aug 2022)

In Rakhine State, 71,942 are displaced in 10 townships due to the AA-Tatmadaw conflict, including 4,959 individuals that are newly displaced in Mrauk-U, Kyautaw and Sittwe townships as of 5 September 2022. In collaboration with partners and other UN agencies, UNHCR is responding to the humanitarian needs and continues to provide assistance to affected communities.

From January to August 2022, UNHCR provided core relief items, emergency shelter support, dignity kits and cloth masks to some 28,008 individuals in Mrauk-U, Myebon, Kyauktaw, Minbya, Ponnagyun, Sittwe, Ann, Pauktaw, Buthidaung and Rathedaung townships.

Over 30 field visits have been conducted, access to some sites remains limited, particularly in more rural areas, a situation which has been further exacerbated by the COVID-19 pandemic.
