Key Priorities

- **Scale-up of capacity:** UNHCR has been in Poland for 30 years, working with national authorities on refugee-related matters. With the Ukraine emergency, UNHCR has substantially scaled up its presence and operations across Poland. UNHCR has a now a Country Office and Frontex Liaison Office in Warsaw and has opened two Field Offices in Warsaw and Lublin, in addition to Sub-Offices in Rzeszow and Krakow.
- **Access to territory:** UNHCR conducts regular border monitoring at border crossing points and in border areas. Cross-border exchanges with other country operations also take place.
- **Protection (monitoring):** As of 14 September 2022, UNHCR and partners had carried out 17,661 interviews in the context of protection monitoring to assess refugees' needs, risks and challenges, and to inform UNHCR's response.
- **Cash Assistance:** Cash has proven to be one of the most efficient and effective ways to support refugees, giving them the dignity of choice to decide on what they need most.
- **Inclusion and Livelihoods:** UNHCR is supporting the government's efforts to enhance access to formal employment. UNHCR is in the process of facilitating the organization of job fairs to link refugees with employers from the private sector.
- **Protection from Sexual Exploitation and Abuse (PSEA) and Anti-Trafficking:** UNHCR leads the PSEA Network, coordinating the response to address PSEA concerns. Moreover, UNHCR conducted, since March 2022, 26 training and awareness-raising sessions on PSEA and anti-trafficking for 636 humanitarian workers from UNHCR, its partners, INGOs, NGOs and CSOs in Poland.

- **Advocacy:** UNHCR advocates for equal access of all refugees to asylum procedures and their inclusion (particularly those with specific needs) in Poland's national social protection system.
- **Contingency Planning:** UNHCR Poland is supporting the Polish authorities' efforts at various levels to prepare in the case of a new influx of refugees from Ukraine.
- **Refugee Coordination Model (RCM):** UNHCR applies the RCM, leading and coordinating the humanitarian response in Poland. More information: [Ukraine Regional Refugee Response Plan \(RRP\)](#).
