The number of people displaced each month does not necessarily result in a rise in the overall number of IDPs as many people are "re-displaced" and are already counted as IDPs. Statistics should be considered provisional and subject to change.

The boundaries and names shown and the designations used on this map do not imply official endorsement or acceptance by the United Nations. Final boundary between the Republic of Sudan and the Republic of South Sudan final status of the Abyei area is not yet determined.
