WORKING WITH PARTNERS

MAIN ACTIVITIES

PROTECTION

Legal protection

- On 14 July, UNHCR carried out a joint mission with the NGO partner AMSODE to Faragouran (a village housing a refugee reception site). The mission met with one of the refugee households living at this site. The family (a husband, his wife and their children, 3 girls and 2 boys) is enjoying the cohabitation with the host community. The household has access to health care and livelihoods opportunities. While some assistance needs have been identified such as access to drinking water and energy sources for lighting in the site. UNHCR and its NGO partner AMSODE are working to provide accurate responses.
- In Bamako, over the month of July, UNHCR assisted 05 persons (03 refugees and 02 asylum seekers) followed up with their needs including documentation, resettlement, health, legal assistance, and the asylum procedure in Mali.

Community Mobilisation

- In Gourmas Rharous, Goosi, Léré, Bambara Maoudé (region of Timbuktu) UNHCR through its partner NGO, organized 4 large-scale awareness-raising session on social cohesion and mutual aid, reaching 167 persons (110 men and 57 women) including several refugees and IDPs.
- In Ansongo, in the region of Gao, UNHCR distributed food products to 19 vulnerable persons with special needs within refugee and IDP households. The kits are composed of rice, sugar, oil portions and powdered milk. The beneficiaries are mainly pregnant or breast-feeding women, elderly, persons with disabilities.

Gender-based violence

- During July, UNHCR and its partners conducted 31 awareness-raising sessions on gender-based violence in Gao, Ménaka, Mopti, Tombouctou, and Koro, reaching 812 persons, including 511 women and 301 men. Most of the participants are refugees and internally displaced persons.

- In July, in Ménaka, UNHCR provided care for 03 survivors of GBV (an IDP and 02 women from the host community). They are victims of rape, sexual assault, and psychological violence. They received medical care through one stop center and dignity kits. At the same time in Timbuktu, 02 IDPs women survivors of GBV were referred to services for medical care.

Child protection

- In July, in Ansongo, region of Gao, UNHCR distributed kits to 12 refugee children (08 girls and 04 boys) aged under 5. The kits composed of shoes and clothes.

Education & Health

- As part of the closing of the 2022 - 2023 school year, UNHCR through its NGO partner ACEF and the Koro school services conducted an assessment in the SSAP centers. Following this assessment, 259 pupils' learners (137 boys and 122 girls) including 181 refugees, 61 IDPs as well as 17 children from the host community were all admitted to the higher level.
As a reminder, the SSAP centers will allow out of school displaced children or those not attending, to follow accelerated courses during nine months before being integrated into mainstream schools.
- On 20 July, UNHCR handed over computer and office equipment to school authorities in Léré and Gossi in the Timbuktu region. The equipment composed of 30 visitor chairs, 09 printers, 04 desk-tables, 04 office computers, 04 laptops, 02 mini meeting tables, a binding machine, and a scanner machine. These materials will help build capacity operational school directorates of these 02 municipalities (Léré and Gossi) hosting refugees and IDPs.
- UNHCR started the construction of an administrative block in a school in Menaka hosting refugee and IDP pupils.
- In July, UNHCR provided medical care for 24 sick refugees (all women) in Bamako in Faragouaran. These include cases of malaria, diabetes, hypertension, and road accidents.
- Through its implementing partners, In Ansongo, UNHCR organized awareness-raising sessions on prenatal consultations for pregnant women, reaching 35 refugee women of childbearing age.

Statelessness:

- As part of the naturalization of Mauritanian refugees in the Kayes region, 100 suppletive judgements established for 66 minors (30 girls & 36 boys) and 34 adults (18 women and 16 men) have been transcribed as birth certificates. In addition, another 135 cases prepared for minor refugees have been prepared and will be submitted for naturalization.
- In July, in Kayes UNHCR organized 06 focus groups in refugee sites reaching 64 persons, including 43 women and 21 men. The theme addressed was the importance of declaring birth and establishing identity documents to avoid the risk of statelessness.

Livelihood:

- In Segou, Mopti, Ménaka, GAO and Tombouctou, UNHCR has given agricultural products and equipment to 13 refugee IDPs, and returnees' s groups and 03 motorbike tricycles to 03 young refugees Kayes.
- In July, in Kayes, Mopti and Tombouctou, 161 refugees, IDPs and returnees were trained on financial management self-entrepreneurship, while 125 young refugees, IDPs, and returnees) were supported individually in various trades in Kayes, Gao and Ménaka.

Mixed Movements:

- In July, UNHCR identified 547 persons (421 men, 108 women, 10 boys and 08 girls) of various nationalities in mixed movements in Mali, 42% less than the previous month, especially in the regions of Gao, Mopti, Kayes and Timbuktu. Among these moving persons, 409 were new arrivals and 138 were departures.
- UNHCR through its partners conducted a total of 33 awareness-raising sessions in the regions of Gao, Mopti, Kayes and Timbuktu, reaching 405 persons (290 men, 92 women, 14 boys and 09 girls). These sessions focused on the refugee status determination process, asylum procedures in Mali, the importance of civil registration, the importance of schooling and documentation of children.

Durables solutions:

Resettlement:

- As part of family reunification, UNHCR continued to monitor the departure to France of the refugee household of 02 persons for resettlement. Their departure for France is scheduled for early September 2023.
- On July, UNHCR continued to inform and advise refugees on the resettlement process, fraud related issues so to manage their expectation.

Voluntary Repatriation:

- On July, UNHCR, through its governmental partner DNDS, registered 73 Malian returning refugees, including 71 from Burkina Faso and 02 from Mauritania. The locality of origin is Tombouctou.

SHELTER & NON-FOOD-ITEMS (NFIs) & WATER, SANITATION, AND HYGIENE (WASH)

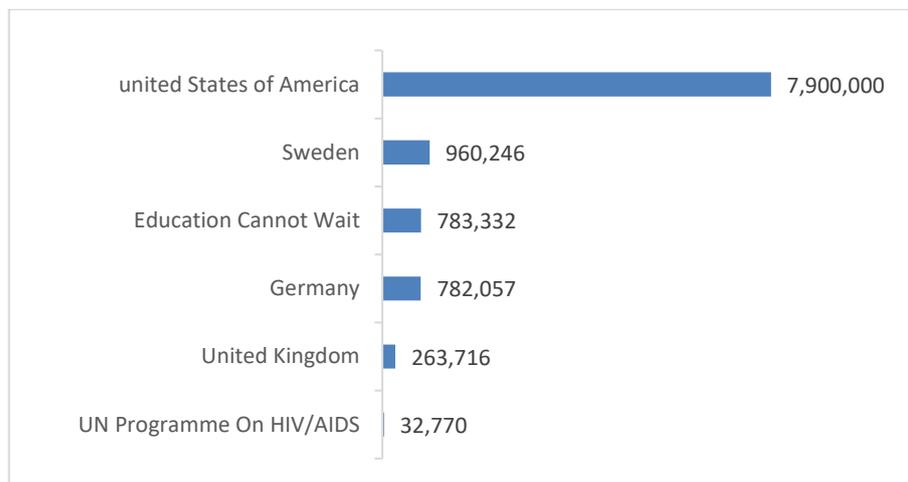

- In July, UNHCR installed 75 traditional huts for IDPs In Djénné, (region of Mopti) and started rehabilitation and extension of a water point to improve access to drinking water for refugees in Menaka. The water point management committee has been revitalized and their members trained on the maintenance of equipment, to allow rational and sustainable operation of the structure.
- In the region of Gao, UNHCR distributed non-food items to 535 IDPs households of 2,099 persons fleeing the violences in Boya and Gaina villages in the commune of Gabéro, to find protection in Gao town.
